CONSENT FORM FOR USE OF PHOTOGRAPHS/VIDEOS

It is now a requirement that written permission is obtained from a parent or guardian regarding the use of photographs or videos containing their child. The permission will be deemed to be valid for all photos and videos taken during the time they belong to Explorer Scouts within the Arctic Fox Explorer Scout Unit.

Any photographs or video taken would only be used in publicity for the Scouting movement, children would only sometimes be identified individually by first name. If we are asked for use of a first name and surname we will contact you on each occasion.
